

**BLOOMER COMMUNITY
AMBULANCE ASSOCIATION**
1630 Oak Street - Bloomer, WI 54724
ambulance@bloomer.net

April 11, 2019

Greetings:

Bloomer Community Ambulance Association provides ambulance services in the City of Bloomer and surrounding communities, covering 296 square miles. We also provide mutual aid to other areas as requested.

Our service is very proactive in that we provide multiple annual in-services to provide training in basic and advanced life support procedures and equipment. While we do have an annual budget that provides for some training, supplies and equipment, we conduct an annual fundraiser for larger purchases. In 2016, funds raised helped purchase a LUCAS automated cardiac compression device. In 2017, funds were used toward the purchase of a Rescue/Rehab Trailer. In 2018, funds helped purchase a truck to pull the trailer. These items have proven invaluable to our service.

This year our fundraising efforts focus on the purchase of communication devices for the Rescue/Rehab Truck and Trailer.

Our Pancake Breakfast and Raffle will be held on Saturday, July 27, 2019 at the Bloomer Fairgrounds from 7:00 a.m. until Noon. Raffle drawings will be held at noon.

Therefore we are asking for your support either through a financial donation or a raffle prize to help us make this event a success. If you require more information, please contact me (Chad Philipps_ (e-mail: bloomerseptic@yahoo.com or 715-456-2160).

Thank you in advance for your support.

Sincerely,

Chad Philipps, EMT-I
Fundraising Coordinator
