## Bloomer Brewing Company Makes move to NEW Home

The Bloomer Chamber of Commerce would like to Congratulate Ryan and Michelle Stolt on the NEW home for the Bloomer Brewing Company which is now located at 1103 9<sup>th</sup> Ave.

For those that remember Bloomer from days gone by they are now located in the original Stumm's Hatchery Building . Stop in and check out the new building and new flavors of beers—well worth the visit. We will be organizing a tour once the brewing equipment is moved.

At Bloomer Brewing Company we brew a wide variety of delicious craft beers for every type of beer enthusiast. Stop in for a pint after work or check our calendar for our exiting events. Reserve our Bloomer room for a private party. Ask us about contract brewing and custom brews, we can brew for you. We can design custom labels and packaging for corporate and business gifts

## OUR STORY

Bloomer Brewing Co. is a Local Micro Brew in the city of Bloomer Wisconsin with interest in preserving the history of the Old Bloomer Brewery which was in operation from 1934 to 1947. Bloomer Brewing Co. LLC began brewing in April 2012 to brew a beer recipe honoring the old brewery to be distributed locally in the town of Bloomer, Wisconsin.

# *Celebrating 10 Years of "Together-Making a Splash"*

*February 17, 2020*

*On behalf of the Bloomer Area Aquatic and Recreation Center/Pecha Family Memorial Pool, we would like to thank you for your support over the past 10 years. It is because of the support that we have received from the Bloomer and surrounding areas, that we have been so successful and continue to grow.*

*It is so hard to believe that it has already been 10 years since this great facility opened .*

*We opened the doors to the building on April 14<sup>th</sup>, 2010 and opened the pool for our first swimmers on May 13<sup>th</sup>, 2010 , since those dates we have seen a steady growth. To give you some idea of what we have accomplished, we have attached some very interesting and impressive numbers from the last ten years of what the usage has been, we are sure you will be impressed.*

*We are asked by many, "Just how has this all been possible", the answer is simple, we have been fortunate to have tremendous support from the Community and surrounding areas that we serve, our customers and guests have been outstanding, our local and area business's, members of our community and other supporters have been so very generous and finally we have had a very dedicated staff and Board of Directors. All these factors put together have spelled success and have helped fulfill our goal*

## *"Together- Making a Splash"*

*The "Friends of the Pool" has played a very important part of our success. Each year it is our goal to raise at least \$25 to \$30 thousand dollars to help offset expenses, each of the past 10 years we have been successful with reaching the goals and have been able to end our years in a positive or very close to a positive standing.*

*To those that have been "**Friends of the Pool**", we Thank you for your generosity and we would ask for your continued support. For those that are not yet "**Friends of the Pool**", we hope that you will consider joining with a donation of \$500.00 or more per year.*

*The Board of Directors and Staff of the  
Bloomer Area Aquatic and Recreation Center/Pecha Family Memorial Pool*

*10 years of Making a SPLASH continued:*

*Our team of loyal and dedicated staff members and the Board of Directors will continue to work hard to not only achieve our goals but to exceed them and keep this outstanding Community Facility thriving and growing into the next decade.*

*On May 16<sup>th</sup> and 17<sup>th</sup>, 2020 we will be celebrating our Tenth Anniversary with fun and entertainment for everyone—please keep the dates available so that you can join us as we “Make a Splash into the next Decade”.*

*Again, a sincere Thank You for everything you have done over the past ten years and we look forward to your being a part of the next ten!*
