BLOOMER TRUCK REPAIR, LLC

Bloomer Truck Repair offers personalized, affordable diesel semi-truck and trailer maintenance and repair services. Henry and Tammy LeBakken, owner-operators, along with their team of knowledgeable technicians, have over 75 years of combined experience and are committed to offering the best diesel repair services in the area.

Located on the southwest corner of Bloomer's city limits, ½ mile off Hwy. 53, Bloomer Truck Repair is a 7-bay facility with a large customer parking area. They service any make/model of semi-trucks, dump trucks, RV/motorhomes, step vans, emergency vehicles and medium-duty trucks just to name a few. They also work on any brand of trailer from reefers, dry vans to flatbeds, dumps, tankers and even log trailers. No job is too big or too small for their team.

Many people think of semi-trucks as over-the-road, but Bloomer Truck Repair can't forget about the agricultural community they proudly serve, from grain and cattle haulers to ag equipment with diesel engine repair needs or A/C repairs. Bloomer Truck Repair welcomes a diverse range of vehicles into their shop.

Bloomer Truck Repair is celebrating their 3rd anniversary in August! Henry and Tammy want to thank all their customers for their support and look forward to continuing their partnership with the truckers and farmers who help move America.

Check out their website at www.bloomertruckrepair.com and like their page on Facebook. Stop in at the shop or call 715-568-5650 to schedule an appointment today.
