THE BLOOMER CHAMBER OF COMMERCE
WELCOMES
AMK CLEANING SERVICES

TO THE CHAMBER AND BLOOMER BUSINESS COMMUNITY

AMK Cleanng Services specializes in residential and commercial custom cleaning services for busy people to live better and work better. AMK becomes an extension of your household or business by taking on the delegated tasks of cleaning so your family or organization can do what you do best with the people you care about while we take cleaning off the never ending list of to-do's! AMK has a focus on improving the quality of lives. From eco-friendly products to sustainability efforts to quality employment opportunities and philanthropic efforts in the communities we work and play in. It's a company you can feel good working with as a client and for as an employee!

Over the last decade of AMK's growth they've been spanning their reach entering new communities to provide jobs, community support and cleaning options for the clients they serve. AMK Cleaning's main office is in downtown Eau Claire. Additional satellite hubs are in: Altoona, Menomonie, Bloomer, Ellsworth, and Hudson.

Why have a satellite in Bloomer?

For one it's a great community and small town. Just far enough from Eau Claire that it makes sense to have a satellite yet not so far away to be able to serve the area. Second, Ashley Bender, owner of AMK Cleaning, has ties to the area on her mom's side of the family! Her late grandfather, Ron Cronin grew up in Bloomer with his parents: Connie and Maghild (Evenson) Cronin and their other children: Dalyn, Merlin, Leona and Olga.

Today, AMK Cleaning is a successful business with the most amazing team of individuals. Above all, Ashley's priority is to be more than just an employer to her team, and that's exactly what she's done. In a dog-eat-dog world, she genuinely cares for others and their well-being. To Ashley, it isn't just about a job; it's a family at AMK.

She ensures that her team members can thrive and grow both personally and professionally while working at AMK

Visit the Bloomer community Clothes Closet

Come in and check out our inventory at the Bloomer Community Clothes Closet, 1510 Main Street! You may be surprised!

People donate their used (and sometimes BRAND new) clothing, linens and shoes. We "vet" it all and then offer them to anyone for FREE! While we do not charge a penny for the goods we have, we do have a donation box for anyone that is able or want to make a monetary contribution.

We are a volunteer operated, nonprofit (5013c) organization. Did you know that The Bloomer Community Clothes Closet has been an integral asset to the Bloomer community for 15 years? Located in various buildings in and around Bloomer, and now we are on Man Street. We are a very proud member of the Bloomer Chamber of Commerce as well.

We provide a vital resource for families, not only in Bloomer, but the greater Chippewa Valley!

The well used items we do not put out on our showroom floor are in turn, donated to a wonderful organization called Rescued and Redeemed, a non-profit 5013c organization based in Eau Claire. They help survivors of human trafficking and the trauma they face once they are free from that situation.

Please consider making a monetary donation to help keep The Clothes Closet up and running. All contributions pay for our rent and utilities, insurance and few other operating costs.

And of course, please bring your soft goods (i.e. All clothing, linens, blankets, towels, shoes, etc.) to us as well! Why make that trip to Eau Claire to donate to a big corporation when it is wanted right here in your community? The need is GREAT and so appreciated.

"Help Wanted"

We have added a "Help Wanted" icon to our Chamber web page!

This will be open to all paid Chamber Members FREE of charge!

If you would like us to post your hiring needs, please send us a jpeg copy of your ad and we will post it to bloomorchamber.com and also onto our Facebook page,
