Owned by sisters-in-law's Dana Hansen and Shannon Metcalf. The name Metsen Boutique comes from blending our names together. The Met comes from Metcalf, and the Sen comes from Hansen. We are also known as "The Front Porch Boutique".

We are moms of 7 children between the two of us. We wanted a hobby we could do for some fun time in our life. We came up with the idea to open a boutique as there are so many stores closing, and the cost of clothing is so high. We wanted to give Bloomer another place to shop for trendy and affordable clothing and save the trip to Eau Claire. We are a kid friendly boutique, so bring them along! August 1st, 2022 will be our 3rd anniversary, we are so thankful to the community for supporting our business and excited for the future!!
