

## **BLOOMER ARTS COMPLEX**

### **HOME OF:**

***PENNI'S STUDIO OF THE ARTS  
STARLIGHT AERIALS AND CIRCUS***

*Thank You for  
supporting  
Dance for  
the past  
17 Seasons!*

At its start in 2007 with Founding director, Penni Asplund, Penni's Studio of the Arts has been a home away from home and a joyous place to learn dance, theater, and arts of many varieties! Since then the business has only expanded both in studio space and offerings. In 2017, Montana Mattieson became director and introduced Aerial and Circus Arts into the Studio.

We Are excited to announce the purchase of our new Truss system for Aerial classes, which will allow us to offer adult Circus classes to town! Everyone is invited and welcome to the unveiling of the new space during our Open House on August 30th from 4-7pm! Come see the space, sign up for class, sign up to host a workshop, and/or enjoy the open house festivities.
