Owner and operator, Kellie Turner, is a 30+ year entrepreneurial leader in the Bloomer community. Her support of the community is demonstrated through not only her day to day business operations, but also her sponsorship of events and organizations throughout the year. She goes above and beyond to provide the highest level of customer service to Bloomer and the surrounding communities. Her resourcefulness, creativity, and focus on technology have also allowed her business to grow as personal and business needs have changed in how flowers are requested, ordered, and delivered. She takes in orders and supports customers from across the country, and often serves as a liaison to businesses and corporations looking for more efficient ways of sending out orders on their behalf.

Kellie is the perfect partner to add special and unique floral arrangements to the life events that matter most. From new babies and birthdays, to weddings and celebrations of life – Kellie works closely getting to know her customers so she can deliver the perfect arrangement that captures the spirit of the moment. Her ability to comfort and support families in their time of grief is a special gift that Kellie demonstrates so naturally. Everyone can feel comfortable walking through her Main Street doors, and will walk away with a smile on their face. She works hard to make every order memorable, and there is no request that she isn't willing to tackle to make the delivery special.
